X407	May only drive within a 15 km radius of place of home- m
X408	May only drive within a 20 km radius of place of home - m
X409	May only drive within a 30 km radius of place of home - m
X410	May only drive within a 40 km radius of place of home - m
X411	May only drive within a 50 km radius of place of home - m
X412	May only drive within a 75 km radius of place of home - m
X413	May only drive within a 100 km radius of place of home - m
X910	May learn to drive a motor vehicle included in class LR
X911	May learn to drive a motor vehicle included in class MR
X912	May learn to drive a motor vehicle included in class HR
X913	May learn to drive a motor vehicle included in class HC
X914	May learn to drive a motor vehicle included in class MC

Code	Description
V001	Vehicle to be fitted with footbrake and clutch capable of operation together and separately with one foot
V002	Vehicle to be fitted with handbrake to left of steering column
V003	Vehicle to be fitted with handbrake to right of steering column
V004	Must wear artificial legs, vehicle to be fitted with hand accelerator and brake pedal capable of holding the right artificial leg in position
V005	May only drive vehicle with wing mirror fitted to both sides
V010	Vehicle to be fitted with a hand accelerator
V011	Motor cycle to be fitted with side car and special fitting to operate footbrake
V018	Vehicle to be fitted with a hand accelerator and a footbrake and clutch capable of operation together and separately with one foot
V020	Vehicle to be fitted with vacuum operated footbrake and hand accelerator

V021	Vehicle to be fitted with hand operated service brakes
V022	Vehicle to be fitted with specially adapted linear actuated handbrake
V023	Motor cycle to be fitted with front brake lever mounted on left handle bar and extended accelerator arm fitted to right handle bar
V025	Vehicle foot controls must be adapted for operation by hand
V026	Motor cycle to be fitted with side car and have foot controls on right hand side
V027	Motor cycle to be fitted with side car and have foot controls on left hand side
V028	Motor cycle to be fitted with side car
V029	Vehicle to be fitted with indicator switch operated by the left hand
V030	Vehicle to be fitted with indicator switch operated by the right hand
V031	Vehicle to have an extended indicator switch operated by the left hand
V032	Vehicle to have an extended indicator switch operated by the right hand
V033	Must have an indicator operated by a head switch
V035	Unless vehicle is automatic it must have a hand accelerator and a footbrake and clutch capable of operation together and separately with one foot
V036	Vehicle to be automatic and have accelerator to left of footbrake
V037	Vehicle must have all foot controls extended
V038	Vehicle must have an electronic hand brake
V076	Vehicle must not have power steering fitted
V077	Vehicle must have a steering wheel aid
V078	Vehicle to be fitted with dual circuit braking system
V079	Vehicle must have power steering
V080	Motor cycle to be fitted with dual braking system
V081	Vehicle to be fitted with a steering wheel aid
V082	Indicator switch to be fitted to right hand handlebar
V083	Artificial arm, extension with hook attachment required
V084	Extension lever for emergency brake to the left of the driver required
V085	Extension arm required to enable wipers to be used by right hand

V086	Vehicle to be fitted with quick release hand brake
V087	Vehicle to be fitted with hand operated clutch
V088	May drive a 3b type vehicle with automatic transmission
V089	May drive automatic vehicle with normal foot controls within 20km of home
V090	May drive class 1a vehicles fitted with a hand operated clutch
V091	Motor cycle to be fitted with automatic transmission
V092	Motor cycle to have all hand controls adapted for right hand use
V093	Vehicle to have dual circuit brakes or handbrake operable by right hand
V094	Vehicle must have an indicator switch to the left of steering column
V095	Motor cycle to be fitted with rear wheel handbrake on left hand grip
V096	Motor cycle to be fitted with additional fold down type non slip footrest
V097	Motor cycle to be fitted with raised handlebars
V098	Vehicle to have push-pull hand controls with electronic indicators
V099	Vehicle must have turn signal indicator switch operated by left foot
V100	Vehicle must have panoramic/fisheye rear vision mirror
V101	Vehicle must have extended gear change lever
V102	May drive vehicle with manual transmission within 50 km of residence
V103	Vehicle to have dual circuit brakes or handbrake operable by left hand
V104	Vehicle must have extra rear view mirror on right hand side
V110	May drive class c vehicles fitted with a hand operated clutch
V111	Vehicle must have steering wheel aid with electronic indicators
